

## Jade's Story of Hope

For three year old Jade, every day is a blessing. Diagnosed with leukaemia at only 26 months, this precious little girl undergoes intensive treatment every 10 days for 5 days at a time, and endures regular blood transfusions and painful injections as part of her chemotherapy.

Controlling a child's pain ensures they suffer less physical trauma and emotional distress, giving kids like Jade a chance to recover faster and return to what they should be doing – playing, learning and laughing.

Part of our work is to introduce pain management services to effectively treat and manage chronic and acute pain in children who are hospitalised with cancer, post-surgery trauma, burns and other illnesses and injuries. Your support will provide Jade with hope.

On behalf of all of our children,  
thank you for Investing in Hope!

# investing in hope

By donating your dividend, you'll invest in hope  
for sick and injured children.

The investment opportunity  
of our lifetime.

bank different®

“For the last 20 years I’ve been showing people simple, legal, tax-effective ways to create wealth and invest for the future. As parents and grandparents know, the health of our kids is one of the most important investments you can make.

*Investing in Hope* allows shareholders to receive a triple benefit in return for their dividend donation. Shareholders can take advantage of imputation credits and still receive a tax-deductible charity receipt. Importantly, these donations also provide hope for millions of sick and injured children and their families – now and in the future.”

Noel Whittaker, Joint MD Whittaker Macnaught Pty Ltd (Investing In Hope Ambassador)

# investing in hope

## Donating your dividend is a win-win situation. Why?

- It’s a simple, straightforward way to support a worthy cause - no cheques, credit cards and your privacy is respected
- Your donation is tax deductible
- You continue to receive your dividend imputation credits to offset tax\*
- Your money provides hope by allowing children’s hospitals around Australia to work together to find breakthroughs and cures in the areas of burns, cancer, respiratory, virus, child advocacy and protection, growth and nutrition and pain free treatment
- You will make a real difference in the life of a sick or injured child

*Investing in Hope* is easy. Simply fill out the form included and send to Computershare Investor Services. You can alter or cease your donation at any time by contacting Computershare.

This campaign applies to ordinary dividends only and not to any extraordinary dividends that may be declared.

\*tax offsets may differ depending on personal circumstances. Please seek professional advice if in doubt.

# children’s hospitals australia

Our children’s hospitals have cared for sick and injured children for over one hundred years. For the first time in Australia’s history, the Foundations supporting these hospitals have come together as **Children’s Hospitals Australia**.

This innovative partnership (formerly known as the National Children’s Medical Research Fund) consists of five uniquely child-focused foundations that support leading paediatric hospitals:

- **Royal Children’s Hospital Foundation Queensland**
- **Sydney Children’s Hospital Foundation New South Wales**
- **Royal Children’s Hospital Foundation Victoria**
- **Women & Children’s Hospital Foundation South Australia**
- **Princess Margaret Hospital Foundation Western Australia**

Each of these respected institutions drive dynamic medical research programs that aim to find breakthrough treatments and cures to make a difference in the lives of sick and terminally ill children. You can help by *Investing In Hope*.

# Bank of Queensland

Bank of Queensland is a proud supporter of the Children’s Hospitals Australia (CHA), and is delighted to extend this relationship to our shareholders.

At Bank of Queensland we believe we have a responsibility to provide support for the community that supports us, helping to build a brighter future for people everywhere. In particular we are committed to the youth of Australia, and invest in initiatives that support our young people to be the best they can be.

In addition to the Bank’s own community sponsorship and fundraising activities, we support our employees who are active in the local community through our Dollar-for-Dollar program - donating a dollar for every dollar raised by our employees for charity - and recognise outstanding staff contributions through the MD’s Awards For Community Involvement.

As a Queensland company expanding interstate, we are excited to join forces with children’s hospitals around Australia through CHA, and to be the first company to offer this method of donation to our shareholders.

We invite you to consider any donation from your dividend you feel appropriate.
