⁽¹⁾ Normalised measures exclude significant, non-recurring and non-cash items detailed on page 2 of this annexure.⁽²⁾ The Bank is required to perform a trigger test at each balance date to determine whether the RePS, PEPS or convertible notes are dilutive. The PEPS and convertible notes are all non dilutive at 31 August 2012.⁽³⁾ FY2011 basic and diluted earnings per share have been adjusted for the effect of the rights issue that occurred during the current financial year.⁽⁴⁾ Growth / (decline) measures are calculated from the prior comparable period.⁽⁵⁾ Measures have been annualised where appropriate.⁽⁶⁾ Amalgamation of first half and second half FY12 EPS is not reflective of FY2012 EPS due to the impact of the significantly increased share count in the second half.
