

Financial Services Guide

Personal Solutions

8 September 2017

This Financial Services Guide (FSG) is an important document.

- It is designed to assist you in deciding whether to use any of the services we offer.
- It contains information about how we and our staff and other representatives are paid in relation to the services we offer.
- It contains information on how complaints against the Bank are dealt with.

You should read it carefully and make sure you understand it. If there is anything in this FSG that you do not understand, please contact us.

You may also receive a Product Disclosure Statement (PDS) from us. Generally we must give you a PDS if we are offering, or recommending that you acquire, a financial product. The PDS contains information that helps you make an informed decision about that product, such as details of the features, costs, risks and benefits of the product.

When we provide such services, we act for the issuer of those products, as a distributor or agent (as applicable).

Some of the third party products we offer are issued by companies related to us. The consumer credit insurance products that we recommend to you are issued by St Andrew's Insurance (Australia) Pty Ltd and St Andrew's Life Insurance Pty Ltd, which are our non-guaranteed subsidiaries.

How do our staff and other representatives get paid?

We pay our staff a salary. We may also offer monetary or non-monetary incentives to our staff and other representatives for achieving performance targets. These targets relate to business initiatives aimed at attracting and retaining customers or providing banking products and services. These benefits are not linked to individual transactions or customers. The value of these incentives will not exceed \$5,000 per staff member for each business initiative. These incentives are discretionary, and are based on achievement of individual Key Performance Indicators (KPIs). KPIs may include:

- customer service orientation;
- coaching;
- teamwork;
- sales ability;
- initiative;
- compliance.

Staff and other representatives may also be eligible to:

- receive a free grant of Bank of Queensland shares under our Employee Share Plan; and
- participate in our long-term incentive program, which offers shares and options that vest in the future, provided that Bank of Queensland attains certain performance hurdles. Eligibility for participation in the long-term incentive program is entirely discretionary.

Staff and other representatives are required to recommend to our customers the most suitable Bank products and services to meet their stated needs.

We may have arrangements with other companies in the Bank of Queensland group for services to be provided in relation to the financial services to which this FSG relates. We may pay these companies contracted payments under the terms of our arrangement. These payments are not linked to individual transactions or customers.

You may request more information about these payments but the request must be made within a reasonable time after you are given this FSG and before any services described in this FSG is provided to you.

Do we pay for referrals?

From time to time, we pay commissions to brokers who distribute some of our products to which this FSG relates. The commissions that we pay our brokers do not affect the cost of the banking services we provide. If you are dealing with a broker, the broker will provide you with their FSG which will detail any remuneration (including commission) or other benefits that the broker and the broker's staff will receive.

Our products and services are also distributed through a network of agents, known as Owner Managers. The benefits that we give our Owner Managers do not affect the cost of the banking services we provide. If you are dealing with an Owner Manager, you will receive a FSG that details any remuneration (including commission) or other benefits that the Owner Manager, and the Owner Manager's staff, will receive.
