Bank of Queensland Annexure A / 3

⁽¹⁾ Normalised measures exclude significant, non-recurring and non-cash items detailed on page 2 of this annexure.
(2) The Bank is required to perform a trigger test at each balance date to determine whether the RePS, PEPS or convertible notes are dilutive. The PEPS and convertible notes are all non dilutive at 31 August 2012.
(3) FY2011 basic and diluted earnings per share have been adjusted for the effect of the rights issue that occurred during the current financial year.
(4) Growth / (decline) measures are calculated from the prior comparable period.
(5) Measures have been annualised where appropriate.

⁶⁾ Amalgamation of first half and second half FY12 EPS is not reflective of FY2012 EPS due to the impact of the significantly increased share count in the second half.
