Securityholders may quote their Tax File Number (TFN), or Australian Business Number (ABN) if a business account, for this investment. Whilst there is no obligation to provide either a TFN or ABN, where it is not quoted we are required to deduct withholding tax at the highest marginal tax rate on any interest or on any unfranked portion of any dividend or distribution. Securityholders who wish to claim an exemption from quotation of their TFN should enter the exemption code for the pension or benefit they receive.
