What is a Target Market Determination?

A Target Market Determination (TMD) describes:

- the class of customers that comprise the Target Market for the product
- any conditions or restrictions on how the product is distributed to retail customers
- events or circumstances where we will review the TMD for the product.

Why does BOQ need to make this TMD publicly available?

We are required to produce this TMD by law. The law is intended to help customers obtain appropriate financial products by requiring issuers and distributors to have a customer centric approach to the design and distribution of products.

This document is not a substitute for the product's terms and conditions or other disclosure documents. Customers must refer to these documents when making a decision about this product. These documents can be found on our website or you can obtain a copy upon request.

The TMD will undergo a periodic review as follows:

EFFECTIVE DATE
30 September 2023
NEXT REVIEW DUE
Before 30 September 2026
REVIEW
At least two years from when this TMD was made and then every three years thereafter

Target Market

The Target Market for this product is Queensland (QLD) and New South Wales (NSW) Solicitors who want an account to meet legislative requirements when holding clients' money in trust. These customers are likely to have the following objectives, needs and financial situation and meet the eligibility criteria for this product.

Objectives

The customers' likely objective is to:

- have a secure place to keep clients' money in trust
- have the ability to manage payments and receipts when required
- meet legislative requirements.

Needs

The customers' likely need is a product they can rely on to keep clients' money safe and meet legislative requirements. This may include:

- a secure place to deposit clients' money in trust
- access to the account at any time
- the ability to manage payments and receipts through the account when required.

Financial situation

This product is suited to customers with a wide range of financial situations.

Eligibility criteria for this product

Customers must satisfy the following criteria to acquire this product:

- Hold a relevant practicing certificate as legal practitioners
- maintain another BOQ Business transaction account from which all fees will be charged. See 'Everyday Business Account (with optional overdraft)' TMD for details.

Product description

A deposit account that gives customers a secure place to hold clients' money in trust.

Key attributes of this product

- physical access to BOQ branches to withdraw and deposit money*
- online banking access to view account balance and make transfers *
- monthly account fees (see 'Business Banking Guide to Fees and Charges' for fees)
- QLD – interest earned on this account is re-directed to The Department of Justice and Attorney General
- NSW – interest earned on this account is re-directed to the Law Society of NSW.

*Certain transfer and withdrawal restrictions exist for different states.

Why the product is likely to be consistent with the likely objectives, needs and financial situation of the Target Market

The product's attributes are designed to support the Target Market's objectives, needs and financial situation as deposits held in this account are secured and comply with the relevant legislative requirements for a trust account.

Distribution conditions

This product can only be distributed through the BOQ branch network or BOQ Business bankers.

When this product is distributed to retail customers, it must be distributed in accordance with BOQ's customer acceptance requirements.

Why the distribution conditions will make it likely that the customers who acquire the product are in the Target Market

BOQ considers that the distribution conditions and restrictions support BOQ's assessment that the product will likely be distributed to the Target Market because of the following key controls:

- appropriate training of staff to ensure adequate understanding of product features and aligning this to the customer's need
- customers satisfying BOQ's eligibility requirements
- quality assurance to monitor compliance with customer onboarding and account origination processes
- customer needs analysis is applied to align customer needs with this product.

Review triggers

We will review this TMD if any of the following trigger events and information being monitored reasonably suggest that the TMD may no longer be appropriate:

- there is an increase in complaints received in relation to the product and its features that exceeds internally set tolerances
- we identify a material adverse customer experience in relation to product appropriateness
- there is a material change to the product attributes, fees, charges, terms and conditions or the manner of distribution
- there is a Significant Dealing in this product which is inconsistent with the Target Market.

Information reporting requirements

All distributors who distribute this product must give the following information to BOQ:

TYPE OF INFORMATION	DESCRIPTION	REPORTING PERIOD
Customer complaints received in relation to this product	Customer complaints (including number of complaints, complaints record verbatim, product name and distributor name) in relation to this product that may indicate the TMD may no longer be appropriate for this product.	As well as agreed in writing, quarterly and in any case within 10 business days from the end of the reporting period
Significant Dealings	The date or date range of when the Significant Dealing occurred and a description of why it may not be consistent with this TMD.	As soon as practicable, and in any case within 10 business days after becoming aware
Incidents/Issues (including regulatory breaches)	Incidents and breaches that may indicate product is no longer appropriate for the Target Market or is being distributed outside the Target Market.	As soon as practicable, and in any case within 10 business days after becoming aware

Note: Record keeping

BOQ and its distributors will keep records of the reasonable steps they have taken to ensure that this product is sold in a manner consistent with this TMD.

BOQ will also keep complete and accurate records of our decisions, and the reasons for those decisions about:

- all Target Market determinations for this product
- identifying and tracking review triggers
- setting review periods
- the matters documented in this TMD.
